

2021-10861 Senior Associate, Sustainability Services

Overview

You've got big plans. We have opportunities to match, and we're committed to empowering you to become a better you, no matter what you do.

When you join KPMG you'll be one of over 219,000 professionals providing audit, tax, advisory and business enablement services across 147 countries.

With the support to do things differently, grow personally and professionally and bring your whole self to work, there's no limit to the impact you can make. Let's do this.

KPMG's Vancouver based Sustainability practice maintains a certification practice that delivers ISO 9001, ISO 14001, ISO 45001 and forest certification (SFI, CSA Z809, FSC) services across Canada and Internationally. As we expand there is an opportunity for an additional certification professional to join the practice, focusing on delivering certification across multiple standards. Based in Western Canada this position is client facing, delivering certification and related services to public and private sector clients across a range of sectors.

What you will do

- Lead and participate in the delivery of certification audits
- Support the delivery of a broad range of sustainability services across a range of industry sectors
- This position requires travel throughout North America and offers the opportunity to work on international assignments related to developing KPMG's Global Sustainability Practice

What you bring to the role

- Relevant professional designation(s) such as QMS Lead Auditor, EMS Lead Auditor, P.Eng and/or RPF.
- Industry, consulting or auditing experience in progressive roles associated with certification, EHS management and/or sustainable forestry
- Willingness to travel domestically and internationally, as required
- Ability to work in a fast-paced professional environment
- Exceptional verbal and written communication skills
- The ability to work on multiple or complex projects simultaneously
- Excellent client service skills with an aptitude to understand the clients' business and maintaining strong client relationships
- Dedication and motivation to achieve high standards of client service in the performance of duties

Desirable Skills

- Exposure to climate change adaptation and mitigation frameworks
- Knowledge and experience with sustainable forest management, including forest certification
- French language proficiency

Please note that KPMG will only review applications submitted through:

Our Values, the KPMG Way

Integrity, we do what is right | **Excellence**, we never stop learning and improving | **Courage**, we think and act boldly | **Together**, we respect each other and draw strength from our differences | **For Better**, we do what matters

KPMG is committed to the health and safety of our people, clients and communities. With this commitment in mind, KPMG complies with all public health mandates (provincially and/or federally, as applicable) and has implemented various safety measures, including a COVID-19 Vaccination Policy. KPMG's COVID 19 Vaccination Policy requires all employees to be fully vaccinated if they wish to or are required to attend a KPMG office and/or other congregate settings in the course of their duties (such as client sites or third-party venues).

As this role requires occasional or consistent attendance at a KPMG office and/or congregate setting, the successful candidate must be fully vaccinated (i.e. have received all doses that are recommended by Health Canada, including any boosters) and must provide KPMG with proof of vaccination. KPMG will provide reasonable accommodation if the successful candidate cannot be vaccinated due to grounds protected by human rights legislation in their province of employment.

KPMG in Canada is a proud equal opportunities employer and we are committed to creating a respectful, inclusive and barrier-free workplace that allows all of our people to reach their full potential. A diverse workforce is key to our success and we believe in bringing your whole self to work. We welcome all qualified candidates to apply and hope you will choose KPMG in Canada as your employer of choice.
