

Forestry Term Positions– Weyerhaeuser Timberlands

Summer Positions Available

Weyerhaeuser Timberlands Divisions (Weyerhaeuser Company Limited) are seeking up to **15 highly motivated individuals** to assist us with our general forestry operations. These positions will run from early **May 2022** until the end of **August 2022**.

Weyerhaeuser operations are located in British Columbia (Princeton and Penticton), Alberta (Drayton Valley, Edson, and Grande Prairie), Saskatchewan (Hudson Bay), and Ontario (Kenora).

Employment Details

The successful candidates will be responsible for assisting our company operations in the areas of Forest Measurements, Silviculture, Harvest and Haul Operations, Operational Planning, and/or Road Development. There are 15 developmental opportunities available, with 2 in Princeton and/or Penticton, BC, 4 in Drayton Valley and/or Edson, AB (Pembina Timberlands), 6 in Grande Prairie, AB, and 3 in Hudson Bay, SK.

Qualifications

We are accepting applications from:

- **Students** currently enrolled in a 2 or 4-year forestry or resource management program, where graduating students will only be considered if they are continuing on to further education following summer employment.

Additional qualifications are:

- ❖ Strong safety values and behaviors
- ❖ Strong communication and team working skills
- ❖ Physical ability for field work including ATV and 4WD pickup operation
- ❖ Understanding of sound environmental practices
- ❖ High comfort level with working and traveling in remote forestland areas
- ❖ Previous forestry operations experience would be a significant asset
- ❖ Valid drivers' license without conditions (varies by province)
- ❖ Assets include experience compassing & using a GPS, valid First Aid training, ATV Safety Course, driving pickups including pulling a trailer, and Microsoft Office experience.

Compensation

Weyerhaeuser offers a competitive compensation package including benefits. The specific compensation will be commensurate with the experience and capabilities of the successful candidate. Relocation reimbursement, training, and all personal protective equipment provided.

Application Information

Please submit a cover letter specifying preference of location(s) and resume no later than **Oct 8, 2021**, however pay attention to the postings and recruiting events at the schools as we may be on site near you sooner.

An online application can be completed at <http://weyer.jobs/16858>.
