INSTRUCTOR, NATURAL RESOURCES TECHNOLOGY
Faculty of Environmental Sciences

Location: Lac La Biche Campus
Job number: 22-INSTR-49-PC
Position type: Casual
Posting date: July 11, 2022
Salary: Commensurate with education and experience
Closing date: Until a suitable candidate is found

ABOUT THE POSITION
Portage College is actively seeking a highly motivated and engaged individual with experience in water and wetlands to teach in the following course:

- **NRES 107 – Water and Wetlands** (Winter 2022 Term). This is a 16-week course where the instructor teaches 3-hours of lecture each week, plus 3-hours of labs each week. This course is delivered in person to students enrolled in our Natural Resources Technology program at the Lac La Biche campus.

QUALIFICATIONS AND EXPERIENCE
- A Master’s of Science or PhD in environmental science, forestry or related disciplines from a recognized post-secondary institution is preferred. Applicants with a relevant Bachelor’s degree and related experience may be considered.
- Minimum 5 years of extensive field experience working in the natural resources sector.
- Adult teaching/tutoring experience would be considered beneficial.
- Excellent communication and organizational skills and the ability to deliver excellent presentations.
- Knowledge or experience with Moodle or other Learning Management System would be an asset.
- Strong computer skills, especially with MS Office and the Data Analysis ToolPak in Excel.
- Successful applicant will be required to provide a current police information check.

ABOUT THE COLLEGE
Portage College has been serving the region for 50 years and is a first choice post-secondary institution for learners in northeast Alberta.
