Job Title: Harvesting Supervisor

Posting ID: 20324
Position Type: Regular/Full-Time
City: Grande Prairie, AB, Canada
Location: Grande Prairie (AB01)

Canfor's strength comes from the diversity of our **skilled and resilient workforce. As our company continues to grow and diversify, so do our career opportunities. Let us take this opportunity to tell you how you could be the best fit for Canfor.**

The Opportunity:
Canfor is currently looking for a strong leader with proven forestry experience to join our team as a **Forestry - Harvesting Supervisor.**

The Role:
The Forestry Supervisor Operations reports directly to the Operations Superintendent and will oversee all activities associated with harvesting.

Key Responsibilities:
- Managing all activities associated with harvesting, including: supervision of logging, road construction, maintenance and deactivation, completion of waste assessments, hazard abatement and productivity audits.
- Planning and delivery of volume to the Canfor Sawmill and other customers.
- Tracking, reporting and root cause analysis of safety, quality, cost, and delivery results.
- Administrative and environmental management activities.
- Preparing budgets and managing costs within your specific responsibilities.
- Participating in Continuous Improvement initiatives and other team projects as requested.
- Ensure activities are conducted in compliance with all applicable Occupational Health and Safety Requirements, forestry legislation, Canfor's Environmental Policy, Forestry Principles, and Forestry Management System.
- You will be required to work and form positive relationships with suppliers, First Nations, government agencies and other stakeholders.

The Candidate:
- University Degree or Technical Diploma in Forestry or Natural Resource Management
- Excellent leadership and communication skills, project management skills, and an ability to work within a team environment
- Experience across a spectrum of forestry work including cruising, planning, harvesting and silviculture would be considered an asset.
- Knowledge of applicable AB legislation and policies.
- Proficient using a computer, familiar with current technology and forestry applications
- Preference may be given to a candidate who is a Registered Professional Forester.

Our Talent Acquisition team is actively recruiting on this role and in order to be considered, please apply today!

At Canfor, diversity means **understanding, recognizing and valuing** the differences that make each person unique. We see inclusion and diversity as an essential part of our productivity, creativity, innovation and competitive advantage. We strive for a **fair and equitable recruitment process**, where hiring decisions are based on the individual qualifications and experience of each applicant.

We are not your run of the mill forest products company, join us and find out why. #canfortalent
