

Harvesting and Access Supervisor

Geoterra Integrated Resource Systems Ltd. is a British Columbia based company that provides consulting services to the natural resource sector and related industries. We are a leader in the provision of technical expertise and information within the industry, and we pride ourselves in the provision of safe, efficient, and effective services.

As part of the CCI Group of Companies, Geoterra has established itself as a primary provider of highly qualified and experienced forestry, environment, engineering, and pipeline construction specialists working together as a team to bring an integrated and complementary approach to each project. We operate with integrity and ensure our clients receive service with intention.

Location: Alberta and Northern BC

Summary of Position:

We are looking for a high achiever who wants to positively impact the way our natural resources are managed. Your workload will include clients from industry (forestry, oil and gas, mining, utilities), municipalities, and Indigenous Groups. This person should be data-driven, a fast adapter of technology, and able to communicate effectively verbally and in writing to diverse audiences.

This position will be responsible for the day-to-day supervision of clearing and access contractors. It is project-based and subject to the client's pre-access requirements. All travel is paid time, and all expenses are paid. Exceptional wages are available for the ideal candidate.

Key Accountabilities:

- Clearing and access supervision and inspection
- Daily field reporting to clients and Geoterra management
- Report writing and general office tasks
- This position will require shift work in both BC and Alberta
- Compliance with all company safety policies and general company policies
- A pre-access drug and alcohol test may be required

Qualifications

- Registered Forest Professional (RFT, RPFT or RPF).
- Minimum of two year's experience in harvesting or forest operations.
- Experience with oil and gas clearing is an asset.
- Valid BC driver's license.
- Working knowledge of the BC or Alberta regulatory system.
- Experience with BC Hydro and or ATCO Electric

Salary: \$40 - \$50 per hour as an employee. Inquire about Subcontractor rates.

CCI Inc. has been named one of Canada's Best Managed Companies for the tenth year in a row. Our environment team is more than 100 people strong, and our company has grown to more than 250 people.

We thank all applicants for their interest. However, only those selected for an interview will be contacted.

Please submit your cover letter and resume in PDF format to hr@ccisolutions.ca

This position may be filled through a subcontractor arrangement.
