The Ministry of Environment has a rewarding opportunity as the **Forestry Initiatives Advisor** within the Forest Stewardship Unit in the Forest Service Branch located in Prince Albert. The Forestry Initiatives Advisor will be a part of our boreal landscapes team that is responsible for developing and integrating landscape-level policies into our policy framework supporting the sustainable development of Saskatchewan's forests.

The competencies required for this position would typically be obtained through a Master's degree specializing in some aspect of forest management or landscape ecology along with the required undergraduate degree in forestry, natural resources management or environmental biology. A four-year bachelor of science degree in forestry, natural resources or environmental biology management supplemented with five years direct experience in forest policy development or forest management may be considered in lieu of the Master's requirement. The successful candidate must be eligible for membership with the Association of Saskatchewan Forestry Professionals within two years of commencement.

A current and valid driver's licence is required. Travel will be required for attendance of meetings or participating in field tours.
