

Weyerhaeuser Grande Prairie Timberlands is looking to add an experienced Silviculture Forester to our team in Grande Prairie, AB.

At Weyerhaeuser, our focus is as much on building our people as building our business. We are committed to creating an environment where individuals can flourish, diversities encouraged and communities supported. We are one of the premier integrated forest organizations in the world. At Weyerhaeuser, we're always looking for people who can contribute, grow, think and create! Our associates are the real reason we've been in business for over 100 years. Their skill and ingenuity have made Weyerhaeuser one of the largest and premium timber, land and forest products company in the world.

YOU ARE... someone who thrives at the intersection of creativity and science, dedicated to the sustainable growth of one of the earth's most versatile resources: forests. You are passionate about continuous learning and enjoy collaborating with others to achieve meaningful results. Integrity is second nature to you, and you understand the importance of accountability.

WE ARE... a fast-moving, high-performing team looking for an innovative team member who can safely lead silvicultural projects. We are dedicated professionals who love what we do, where we work, and the company we work for. We work together to solve complex challenges and identify opportunities to move our organization forward. While doing this, we consistently strive for excellence to deliver growth and yield results that ensure a sustainable forest for the Grande Prairie area.

Key Functions:

- Developing and implementing silviculture treatment strategies
- Supervising contractors in planting, site preparation, stand tending, and surveys
- Participating in the annual budgeting process for the silviculture program and the annual Forestry Accrual Rate
- Working with internal and external researchers to develop new silviculture practices
- Building and maintaining positive working relationships with Indigenous communities, government agencies, stakeholders, and the general public
- Silviculture recordkeeping and submission to government
- Actively participating in safety and environmental systems management
- Engaging in developmental training opportunities to gain exposure to all aspects of our business

Qualifications

- Registered Professional Forester (RPF) or Registered Forest Technologist (RPFT) or eligible for registration
- Sense of curiosity
- Proactive safety leader with the ability to influence internal and external stakeholders
- Excellent oral and written communication skills
- Demonstrated ability to solve problems in a team or individually
- Capability to prioritize work activities and assignments
- Ability to adapt quickly to changing environments
- Computer skills: Microsoft Office Suite

About Timberlands

We believe trees are a remarkable resource that can and should be managed responsibly to make a range of products that meet human needs, while also providing recreation, wildlife habitat, and other important ecosystem benefits. For more than a century, we've been taking care of forests to make life better.

About Weyerhaeuser

We sustainably manage forests and manufacture products that make the world a better place. We're serious about safety, driven to achieve excellence, and proud of what we do. With multiple business lines in locations across North America, we offer a range of exciting career opportunities for smart, talented people who are passionate about making a difference. **We know you have a choice in your career. We want you to choose us.**

What We Offer:

Compensation: This role is eligible for our annual merit-increase program, and we are targeting a salary range of \$83,400 - \$120,100 based on your level of skills, qualifications and experience. You will also be eligible for our Annual Incentive Program, which offers a cash bonus targeting 7% of base pay. Potential plan funding may range from zero to two times that target.

Benefits: When you join our team as a nonunion employee, you and your dependents will be offered coverage under our comprehensive employee benefits plan, which includes medical, dental, vision, short and long-term disability, and life insurance. We also support personal volunteerism, sponsor a host of diversity networks, promote mentoring, and provide training and development opportunities to help you chart your path to a fulfilling career.

Retirement: Nonunion Canadian employees are automatically enrolled in our Defined Contribution Pension Plan, which includes a paid company match up to 6%, in addition to a company contribution equaling up to 7.25% of your base salary. Employees are also eligible to enroll in the Retirement Savings Plan (Group RRSP).

Professional Growth: Expand your professional expertise, skill set, and exposure in this dynamic role.

Collaborative Environment: Work with a dedicated team of professionals involved in all aspects of forest management, including safety, forest stewardship, planning, logging supervision, contract negotiation, financial analysis, forest certification, GIS, wildfire preparedness, and wildlife management.

Community Engagement: Be part of a community-focused organization that values engagement and sustainability.
