

Weyerhaeuser Company Limited is one of the premier integrated forest organizations in the world. We have been in business for nearly 120 years and believe strongly in our core values of safety, integrity, citizenship and sustainability. The company has been named as one of the World's most Ethical Companies for the last six years. We manage 14 million acres of licensed forested lands in Canada and own 12.2 million hectares of forested land in the United States, all managed to SFI standards. Additionally, we have 35 manufacturing facilities and 16 distribution centers in North America producing lumber, oriented strand board, engineered wood products, veneers, plywood, and medium density fiberboard. Our Grande Prairie Timberlands operation has an opportunity for an:

Operations Supervisor

Reporting to the Grande Prairie Timberlands Operations Manager, the Operations Supervisor will work with a team of professionals to ensure the safe delivery of logs to our Grande Prairie Lumber facility.

Duties and Responsibilities:

- Ensure a high level of safety and environmental performance is maintained within our Harvest and Haul Contractor Workforce.
- Timber Harvest and Haul contract management/supervision
- Ensure harvesting is completed as per the expectations of plans and that log quality meets our specifications
- Forecast and track deliveries to meet inventory targets
- Ensure road and landuse approvals are in place for harvest/haul efficiency
- Liaison with government officials
- Work cooperatively with planning foresters, silviculture foresters, road/landuse department and the manufacturing facilities
- Ensure harvesting meets Sustainable Forestry Initiative standards

Qualifications

Requirements of a successful candidate:

- Strong commitment to safety leadership and environmental values
- Ability to work in a team environment
- Ability to register with College of Alberta Professional Foresters, or College of Alberta Professional Forest Technologists
- 3-7 years of forest industry experience would be an asset

At Weyerhaeuser, we're always looking for people who can innovate, contribute, grow, and create! Our employees are the real reason we've been in business for nearly 120 years. We offer a competitive salary, a performance-based incentive plan, comprehensive benefits and the opportunity to grow your career at sites in British Columbia, Alberta, Saskatchewan, Ontario and across the United States.

About Grande Prairie

Grande Prairie is a vibrant community of approximately 70,000 people with energy, agriculture, and forestry as key employers. State of the art indoor recreational facilities, a variety of schools, a community college and access great access to a variety of goods and services not usually found in smaller centers makes Grande Prairie a good place to call home. It is unique in that it offers Forest Professional amenities not normally afforded in smaller communities.

About Weyerhaeuser

We sustainably manage forests and manufacture products that make the world a better place. We're serious about safety, driven to achieve excellence, and proud of what we do. With multiple business lines in locations across North America, we offer a range of exciting career opportunities for smart, talented people who are passionate about making a difference.

We know you have a choice in your career. We want you to choose us.

Weyerhaeuser is an equal opportunity employer. Inclusion is one of our five core values and we strive to maintain a culture where all our people feel a sense of belonging, opportunity and shared purpose. We are committed to recruiting a diverse workforce and supporting an equitable and inclusive environment that inspires people of all backgrounds to join, stay and thrive with our team.
