

PLANNING FORESTER

EDMONTON, AB

At Forsite we excel by being a flexible, adaptable, people-oriented business. We are successful through creating value for our customers and opportunities for our employees. We are experts in forestry, helping clients solve problems using our vast array of forestry professionals and technicians across Canada.

Forsite's Alberta office, located in **Edmonton, AB**, is looking for a **Planning Forester** to join our growing team. Edmonton is the fifth largest city in Canada, the capital of Alberta and one of the youngest, fastest-growing cities in the country. Edmonton is known for more than a mall ... hosting year-round festivals, sporting events, the beautiful North Saskatchewan River valley, lots of daylight during the summer, 60+ non-stop flights to national, US and international destinations, and even though the winters can be cold it provides another season to enjoy what the city has to offer.

WHY FORSITE?

- An annual strategic planning process drives our business. We involve employees across the organization at all levels to gather input; driving accountability to shareholders and senior management.
- Entrepreneurial, business unit structure, regionally based across Canada.
- We offer employees flexible work schedules, a diverse and inclusive workplace, with opportunities for professional development.
- Forsite is a privately owned company, in business for over 35 years.

With 165 employees positioned coast to coast, people are our business. Forsite is looking for a Forestry Professional to help grow our Alberta business to meet company growth targets as we continue to grow our business across Alberta and Canada.

The ideal candidate will have a background in forest operational planning, a post-secondary education with natural resource management focus, professional forester/technician accreditation in Alberta (or be able to attain) and ability to meaningfully engage and work with stakeholders.
